

# NECKER CUP 2023

TENNIS PRO-AM | NECKER ISLAND, BVI

The Necker Cup brings together those with a passion for fun, friendship, networking and, of course tennis.

Held over five nights/six-days, the Necker Cup features a world-class pro-am tennis, charity dinner & End of the World party and much more!

Will you join us, November 13 - 18th 2023?

ATP/WTA tour players and legends will be paired up with amateur teams of all levels, to compete in this fun, spirited tennis event. A handicapped scoring format makes it competitive for players of all levels. Teams of up to two amateurs partner with pros and legends to make the finals and a chance to win the coveted Necker Cup trophy.

As well as great tennis, you can enjoy Necker Island activities such as sailing, kiteboarding, wakeboarding, snorkeling, beach tennis as well as the nightly parties!

Through the live auction and other charitable initiatives, the 2023 Necker Cup benefits the National Tennis Foundation and Virgin Unite.
